*Notes:*

- 1 This is an estimate of the mandatory rate relief since April 2004 when the relief was introduced.  
The value of rate relief given to CASC's during the fiscal years 2007/2008; 2008/2009 and 2009/2010 to date, is an estimate based on the figure for 2006/2007.  
The value of rate relief given to CASC's during the fiscal years 2005/2006 and 2006/2007 was taken from data provided by government detailing the cost of providing reliefs to the business rates pool.  
The value for the 2004/2005 fiscal year is an estimate based on data from [www.communities.gov.uk](http://www.communities.gov.uk)
- 2 HMRC confirm that two unidentified clubs have saved corporation tax on the sale of land, as follows:  
(a) cricket club - proceeds £0.7m  
(b) rugby club - proceeds £6.5m  
We estimate that the total taxable gains on these disposals to be at least £5m.
